

**Welcome to
Glemsford
Surgery
Winter Patient
Newsletter
18/12/2019**

We are very sorry to let our patients know that Dr Rosie Frankenberg will be retiring from the Surgery at the beginning of February 2020. We want to thank Rosie for her hard work and contribution to our Surgery since she joined us as a Partner in April 2018 and prior to then when she helped us a locum GP. ***Good luck and best wishes are sent from us all.***

Did you know you can still have your free Flu Vaccination? If you are aged 65 or over or are in an "at risk" group please ask Reception to book you in for your vaccination. Flu can be unpleasant and it is important to ensure that sufficient patients do have their vaccination to ensure we have enough immunity to protect the wider population.

**Christmas and
New Year**

Opening Times

Please note we will be closed on Christmas Day, Boxing Day and New Year's Day. Please contact 111 if you require medical assistance on these days or dial 999 is urgent or life threatening.

Do we have your current mobile number on our records? Please remember to update your details at Reception. Thank you.

We wish all our Patients, Carers, Friends and Staff a Very Merry Christmas and a Happy New Year!
